Supervisor Yaroslavsky made the following statement:

“On Thursday, October 12, 2006, ‘Rideshare Thursday,’ the County of Los Angeles in partnership with various Southland transportation agencies will sponsor the annual Civic Center Clean Air/Rideshare Fair on the Mall of the Kenneth Hahn Hall of Administration.

“The event will feature hybrid and alternative-fuel vehicles, Flex-Car, vanpools, buses and information on other forms of ridesharing such as Metrolink and Metro Rail. It is a major component of the overall strategy to encourage the more than 85,000 County employees to rideshare or use public transportation to commute to work. The Fair coincides with the annual Southern California Rideshare Week, observed in October.

“A successful ridesharing program can improve air quality through traffic mitigation, and supports the County’s clean air efforts to achieve its air quality improvement goals for the Los Angeles Basin.

“Throughout the year, the monthly ‘Clean Air Bulletin’ and ‘Workplace Connection’ newsletter, distributed by department employee transportation coordinators, inform employees about the many ridesharing options available to them.”

Therefore, on motion of Supervisor Yaroslavsky, seconded by Supervisor Antonovich, unanimously carried (Supervisors Molina and Burke being absent), the Board took the following actions:

1. Proclaimed October 12, 2006 as “Clean Air/Rideshare Fair Day” throughout Los Angeles County to highlight the Civic Center Clean Air/Rideshare Fair;
